### More Get Well Wishes

Want to keep Ralph Heilman in our prayers. He is now home. Take good care Ralph. Looking forward to seeing you soon.

Exciting news for li'l Shelby Miller who is no longer wearing a cast. She, too, stopped in to show everyone her healed up leg. Great to see Shelby back to her chipper young self again.

Get well wishes to Mike Littrell who recently underwent back surgery. Keep him in your prayers for a successful and speedy recovery.

Get well wishes to Mr. Jerry Doughty, from the Family Affair, who has recently had knee and hip replacement surgery. He stopped out this passed Friday with his family, who did some T&T, looking as good as can be expected. He is looking at more rehab time but is looking towards better days ahead. Great to see ya. Good luck, Jerry.

### Our Deepest Sympathy

We received word recently that Mr. Pat Murphy had passed away. Pat was fortunate to 'cheat death' many times in the past, and needless to say, we were all stunned and saddened to hear about his passing. Our deepest sympathy to family and friends.
